KAMBAH ACT 2902

Dear Sam

Thank you for giving me the opportunity to address the Multicultural Community Forum – I was very pleased to be involved. My congratulations to you and to your committee on the hard work you put in on behalf of our community.

The ACT Liberal Party supports your work and fully supports your efforts and those of other ethnic community groups to advance our community. We have supported in the part and we will continue to support the various and sensible targeted grants programs to assist our multicultural community. Many of these programs originated during the time of the former Liberal Government. I, as Leader of the ACT Liberal Party, and my colleague, Steve Pratt MLA, spokesman on Multicultural Affairs, look forward to continuing to work with you and to discuss and assist you with any problems you may have.

We have a proud history of achievement in Canberra and this is largely due to the efforts of people who have come to our city from over 160 countries in the world and who have made Canberra their home.

With my very best wishes,

Yours sincerely

BILL STEFANIAK MLA
