THE NATIVITY PLAY

AN AUSTRALIAN STORY

This is a gospel story about the birth of Christ. It is a musical that dramatizes the story of his life through poetry, song and dance. It is a celebration of Jesus' birth, his fulfillment of his prophecies and his enduring message to his followers, from ancient times to the modern world.

The play is divided into three parts: The biblical, the contemporary and the universal spirit. This is a celebration, which will involve musical renditions from the Tongan Choir, the Gospel City Singers, the Wiradjuri Echoes Indigenous dance group, ACT Filipino Dancers, Samoan Dancers, African youth dancers and live music by Rebekkah's Soul Band. This will be a vibrant, high-energy celebration for all age groups, denominations, and multicultural audiences.
